Course Dates and Applicants:

A ‘course’ is defined as a training package of blended learning approaches comprising online learning tasks (monitored and supported by LLT tutors) and LLT led face to face training dates. All applicants must complete online tasks (these form part of summative assessment) and must attend all face to face training days.

A course has deemed to have commenced once hard copy resources are posted by LLT to the candidate. Resources will be posted to be received 4 weeks prior to the face to face training days in order that online learning tasks can be completed.

1. Before any course arrangements can commence, LLT must receive a completed “Course Booking Form” and Deposit to secure the booking of a course. On receipt of a completed “Course Booking Form” and Deposit, LLT will then commence course arrangements including the setting of course dates for face to face elements of the training including assessment. The number of host applicants specified by the HA at the time of booking the course will be the number paid for by the HA, irrespective of the number who actually attend the course. Applicants can be substituted up to 2 weeks prior to commencement of face to face training days by the HA to ensure all course places are used (please refer to point 15).

2. The dates for an Exercise and Fitness Training After Stroke Course are negotiated between the HA and LLT. Please note that any dates discussed between the HA and LLT will only be provisional and will remain so until LLT receive a completed “Venue Room Bookings” and “Venue Details Form” (please see point 7 below). These forms must be received at least eight weeks before course commencement. Once confirmed in writing these dates will not change without the agreement of both parties and only for exceptional reasons. However, LLT reserve the right to defer or cancel course dates if the HA cannot fill their “booked” places and course numbers are low.

3. A minimum of 8 and a maximum of 16 applicants are required to run a course. The minimum number of applicants may be negotiable between the HA and LLT. If the number of Host applicants recruited by the HA is less than 16, LLT reserve the right to ‘top up’ the course with appropriate individual applicants recruited by LLT.

4. It is the responsibility of the HA to inform all host applicants of course dates, times and venue details at the point of recruitment, and to ensure candidates are aware of the commitment requirements for full attendance of the course and completion of online tasks prior to attendance of face to face training. The HA may wish to stipulate their own deadlines for completion of assessed elements (see point 24). Candidates will not be permitted to attend face to face training unless online learning is completed. The HA must ensure that all host applicants are able to meet the requirements of the blended learning approach with regard to access to suitable Internet connections and software requirements (please refer to point 11).

5. The HA is responsible for issuing all host applicants with LLT’s applicant “Terms & Conditions”, prior to the course commencing. A minimum of 25 hours will be required to carry out online portal work, which includes reading manuals, watching PPTs and completing online tasks.
Facilities and Equipment:

6. The HA is responsible for the arrangement and payment of the course venue and the provision of adequate venue equipment and facilities. All venue rooms must meet the minimum size requirements as outlined in the “Venue Room Bookings”, regardless of the number of Host applicants the HA is putting on the course, to allow for maximum course numbers. Room sizes may be negotiable between the HA and LLT, but must be discussed and clarified before course dates can be confirmed.

7. The HA must complete and return the accompanying documents “Venue Room Bookings” and “Venue Details Form” at least eight weeks before the course commencement. Until these forms are received by LLT and the venue cleared as suitable to host the course, course dates will remain provisional. If a completed “Venue Room Bookings” and “Venue Details Form” are not received by LLT by this time LLT reserve the right to reschedule dates as necessary.

8. Please note the venue rooms must be open from 8.00am to 6.30pm on all course days and the HA, or a representative, must be present on Day 1 to welcome LLT course tutors and delegates.

Candidate Eligibility and Booking:

9. The HA undertakes to check the eligibility of their own Host applicants and only to recruit those who are eligible (see accompanying document ‘Candidate Eligibility & Guidelines’). Please ensure that all Host Applicants are fully aware of the commitment required and that substantial homework, which includes online tasks, are involved. LLT will advise on the eligibility of Host applicants, if requested. All individual applicants recruited by LLT will have the necessary qualifications, experience, commitment and, if necessary, work support to enable them to take part in this course.

10. The HA undertakes to inform all Host applicants that they must check that they have appropriate insurance in order to implement the qualification they are working towards. LLT advise that all candidates contact their respective insurance provider to ensure cover will be provided on successful completion of the qualification. This is particularly important for REPs registered exercise instructors holding insurance with REPs.

11. The HA is responsible for ensuring that all host candidates are able to meet the requirements of the blended learning approach with regard to access to suitable Internet connections and software requirements, in order to complete mandatory online tasks. The minimum browser version that can be used is: Google Chrome (30+), Mozilla Firefox (25+), Safari 6 and Internet Explorer 9 or 10.

12. LLT will offer support to candidates with individual learning needs and/or disabilities. It is the candidate’s responsibility to inform LLT of any individual needs on their booking form so that appropriate support, within reason, can be provided. For any learning needs, a professional report must be submitted with the booking form.

13. The HA is responsible for providing LLT with the Booking Forms for their own Host applicants at least four weeks before the course commences (8 weeks before the first course face to face day). Failure to supply this information for the 8 minimum applicants required to run a course, at least four weeks before the course commences, may result in course cancellation and loss of deposit. Insufficient notice of the HA applicant details will result in late arrival of course manual and portal login details, which will delay the start of online work (refer to Item 14 below).

14. LLT will not send any further course correspondence, other than the course manual and portal login details, both of which are required for completion of online tasks. The course manual will be posted, and the portal login details emailed, to all host and individual candidates 4 weeks prior to the face to face training days (subject to payment being received). Full course details can be found on the relevant course events page of the LLT Website.

15. Substitution of Host applicants is permitted up to course commencement and provided the new learner is made aware of online task requirements to be completed. Learners will not be permitted to attend face to face training days unless tasks have been completed. It is the HA responsibility to ensure that a new “Booking Form” is completed and sent to LLT as soon as possible; the HA is also responsible for arranging any required re-allocations of hard copy course manuals. LLT will not provide new hard copy materials. Portal passwords MUST NOT be passed onto any other individual, LLT will re-issue. LLT cannot take responsibility for late arrival of course
manuals or portal login details to the new Host applicant if the substitution is within four weeks of the first face to face course day.

Fees, Cancellation, Deferral and Referral:

16. The full course comprises; online learning tasks, 4 face to face days including assessment, of which all course days must be attended by all candidates. Online tasks comprise a mix of narrated presentations, videos and quiz’s/learning checks. LLT tutors will monitor and support completion of these tasks. Timelines for completion will be set and expected to be adhered to. Please note that completion of all online tasks are a requirement and not optional. Full certification may not be issued unless all works are completed in a timely manner.

17. The full course cost includes all administration, access to the EfS training portal (access will expire on course completion), manuals, resources, course assessments and certification. They do not cover any travel, subsistence or accommodation costs for Individual applicants. All Individual applicants must inform LLT at time of booking, if their funder is part of a SHARED BUSINESS SERVICE and supply all Payable Code details.

18. The HA will receive one free place on their course if a minimum of 12 Host and Individual (LLT) enrolments is reached and a second free place if the maximum of 16 Host and Individual (LLT) enrolments is reached. These free places are dependent on payment being received before the course starts.

19. The HA will ensure a non-refundable deposit of £1500 is paid at the time of booking the course. LLT will be responsible for obtaining deposits, by Invoice, from all individual (LLT) applicants.

20. LLT will issue an outstanding balance invoice, minus paid deposit, to the HA for the Host applicants booked onto the course. Final outstanding balance payments are to be received by LLT at least four weeks before the commencement of the course. If payment is not received by this time, LLT reserve the right to withhold the course manuals and portal login details for all HA applicants, both of which are required for the host applicants to complete the necessary online tasks. We also reserve the right to cancel the training if full payment is not received before the commencement date.

21. Cancellation by the HA of a booked course will incur a cost, which will be on a sliding scale. Cancellation with more than 2 months notice from course start date will incur an administration charge of £150. Cancellation with between 1 month and 2 months notice from course start date will incur an administration charge of £500. Cancellation with between 2 weeks and 1 month notice from course start date will incur an administration charge of £1000. Cancellation with less than 2 weeks notice from course start date will result in the full course fees for all Host applicants being paid. Cancellation for medical reasons by a Host applicant will be accepted only with a signed MED 3 Certificate and a refund made less an administration charge of £50. Medical certificates must be received by the LLT Office before the course starts. Backdated Medical Certificates, letters or notes that do not confirm that the named person was examined will not be accepted. Cancellation after course commencement (Online enrolment) will result in the full course fee being paid.

22. Deferral during the course – once a course has commenced, if candidates wish to defer the course assessments (Theory Paper, Case Study and Practical Assessment) there will be an administration charge of £50, irrespective of reason. However, once candidates have signed the assessment sign-up form on Day 2 of the course, failure to attend the assessments (‘late deferral’) will result in a maximum re-assessment fee of £160. Late deferred assessment costs are £35 for the Theory Paper, £35 for the Case Study, £25 for the Session Plan (where the Practical teaching was passed) and £90 for the Practical Assessment. Late deferrals of all assessments with a Med 3 Certificate received by LLT and related to the assessment date, will incur an administration charge of £50 only and the assessment can be taken on a future course. No refunds will be given if course assessments are not taken. An invoice for late deferral costs will be sent to the Individual or their Funder, as appropriate, as soon as course and dates are agreed, and must be paid before the assessment dates. Non attendance at the arranged re-assessment will still be charged, unless for medical reasons which will be subject to the same Med 3 Certificate requirements as covered in item 21 above.

23. Assessment referrals – a referral of any part of the assessments will result in a re-assessment, which cannot be taken on the same day as the referral decision. The re-assessment costs are £35 for the Theory Paper, £35 for the Case Study, £25 for the Session Plan (where the Practical teaching was passed) and £90 for the Practical Assessment. A maximum of three referrals on an assessment is permitted before having to re-take the full course at full course cost.
An invoice for referral costs will be sent to the Individual or Host/Funder, as appropriate, as soon as course and dates are agreed and must be paid before the re-assessment dates. Non attendance at the arranged re-assessment will still be charged, unless for medical reasons which will be subject to the same Med 3 Certificate requirements as covered in item 21 above.

24. **Deferrals and Referrals** must be taken within **twelve** months of the **original** assessment date **however the HA may stipulate their own deadlines for course completion in line with project/service requirements.** LLT strongly recommend that Case Study re-submissions are completed within 3 months. Tutor support may not be available **after this time.** Candidates requiring to re-sit practical assessment will be required to attend an assessment day of another course as scheduled by LLT on their existing course programme. These could be anywhere in the country and dates variable. In the event that the HA requests a dedicated re-assessment as organised by them at their workplace/venue, LLT will charge additional assessor expenses for travel and accommodation and assessor fees to be negotiated by LLT and the host. It is the HAs responsibility to book their referral/deferral dates within this period. All course dates and venues can be found on the LLT website – www.laterlifetraining.co.uk. If deferrals or referrals are not taken within twelve months of the original assessment date an **Attendance Certificate** will be issued. This may affect valid insurance. For exercise professionals aligned with REPs, associated CPD points will not be valid. Once an Attendance Certificate is issued the individual cannot sit assessments at a future course without re-taking the full course at full course cost.

25. LLT will issue a ‘conditional’ **Qualification Certificate** to successful candidates within **eight weeks** of assessment. Conditions state that valid CPR training is to be held by the candidate. LLT will issue an **Attendance Certificate**, within **four** weeks of the end of the course, to all candidates who attended at least 2 full days of the course but did not wish to complete the assessments. Once an Attendance Certificate is issued the individual cannot sit assessments at a future course without re-taking the full course at full course cost.

26. LLT will automatically generate a user account/profile for each individual candidate which can be accessed via the LLT Website. This account/profile will be private to the individual applicant, however there is an option to make this public on the online LLT Instructor Directory/Locator.
